

Dear Northeast Seminars Family -

As a valued customer of Northeast Seminars, we wanted to share our update on what we are doing to combat the Coronavirus (COVID-19) pandemic for our in-person events as well as our digital online platform. We take the health and safety of you, our team members, partners, and providers very seriously. We have a unique opportunity and responsibility during these times to make a difference. These are some updates and steps we are taking.

Live Events:

With all our thoughts on the COVID-19 pandemic, and the everchanging landscapes of our daily lives, we are dedicated to keeping you informed and up to date with our course offerings. Please check our website often for course dates, updates, confirmation of courses are happening and 2022 dates. If you are planning to attend an in-person course with us, please read our COVID Policy and Procedures below.

Refunds:

If you have cancelled a course and requested a refund, we are processing refunds as quickly as we can. Refunds are taking 150 days to process. We encourage you to visit our website for a list of new online products or added in person courses. We would love to convert your refund to CE for you!

In good health,
Robert Rossetti, CEO
